Version 01.2013

The **TURNADO® 55 SV** public pool version provides all advantages of **TURNADO® 55 / 55 PRO** - perfectly balanced for the usage in public pool areas.

Its endless turnable scrubber- and suction head cleans nearly everywhere, e.g. in edges, niches or narrow spots such as changing cubicles.

Convincing advantages:

- Durable plastic tank
- Driving wheel and -hub out of stainless steel - Especially for the use in acidic environments (chlorline) and applications of acidic detergents
- Soft back wheels to provide smooth driving on floor tiles with bigger gaps
- Plastic cover of the brush head provides water splash prediction
- Reduction of hand cleaning in difficult areas thanks to the scrubbing and suction head redational 360°
- Corners and niches, such as shelves, in halls and passage ways can be easily cleaned
- Long operational time between fill up thanks to large tank volumes
- Easy handling and compact dimensions
- Very manoeuvrable
